This is the approved black "Moore Style" mailbox post, mailbox and lamppost available from StreetScapes,

Streetscapes offers two mailbox size options, or you may use your existing mailbox if it is the same exact size.

You will need two sets of 3-inch brass house numerals (2 numerals for each side),  
The standard "pineapple" finial on top of post is the most popular in Cape May Village, however, a smooth round ball finial is also offered and acceptable.

Additional options include:

- Delivery
- Installation
- Removal of old post(s) and disposal

Item	Estimated cost
Mailbox Post	\$225
New Mailbox (two size options)	\$100
Brass Numerals	\$6 each
Installation, remove & dispose of old post(s)	\$85

Matching Black Lamp posts are also available from StreetScapes in a similar style to the mailbox (without a base) if your original Lantern is still in good shape.

Or

Black Aluminum lamp posts, bases and new Post Lanterns are available from Butler Lighting on 2203 N. Church Street, 336-412-2521, installer electricians are also available from Butler Lighting. Pricing and availability of lamp posts and post lanterns vary widely.

Due to current supply chain and economic issues, there is no guarantee on pricing or availability of the products.

You will need to contact StreetScapes in Winston Salem 336-946-2164 (Annette or Megan), describe you're from Cape May, place your order, carefully select options with them, verify the actual price estimate, determine schedule, and determine payment.

When you decide to replace your mailbox post and/or lamppost please fill out the Request for Architectural Approval form: Stating "*replacement with approved black Moore Style mailbox post &/or lamppost*". Such applications will be approved quickly.

If the approved style is no longer available, please consult with the Architectural Control Committee Chair on options.
